

Begin Again Foundation Amputee Fund Program Disclaimer

The Amputee Fund is an exclusive program of and fully funded by the Begin Again Foundation, in collaboration with our non-profit service partner, Patient Advocate Foundation.

Patient Advocate Foundation's ("PAF's") Begin Again Foundation Amputee Fund provides financial assistance to patients who have been diagnosed with Sepsis resulting in amputation within the past six (6) months. In order to qualify for financial assistance from the Amputee Fund, the patient must (1) have been diagnosed with Sepsis (2) amputation within the past six (6) months as a result of sepsis; and (3) meet the financial eligibility requirements. The Amputee Fund provides a grant award to assist patients with expenses related to prosthetics and assistive devices not covered by insurance.

PAF will not consider the identity of any physician, provider, supplier of items or services, donor, drug therapy, services or supplies being utilized, or the referral source when assessing whether an applicant is qualified for financial assistance through the Amputee Fund. Under no circumstances will PAF recommend or refer a patient to any donor, provider, supplier, or product.

Qualifying patients are provided a one-time grant at the time they are approved for assistance from the Amputee Fund. Financial assistance through the fund is provided on a first come, first served basis to the extent the Financial Aid Fund has capacity to provide assistance. Enrollment in the Amputee Fund, and receipt of the one-time grant, is a gift to the enrollee, based on the availability of funding, and conditioned on use of the financial assistance for needed prosthetics and assistive devices. PAF has no contractual obligation to provide such assistance to qualified enrollees.

Assistance from the Amputee Fund is not dependent on the use of a particular drug, particular supplies, or particular provider or suppliers and patients are free to switch drug therapies, treating physicians, pharmacies, and suppliers at any time without affecting their continued eligibility for assistance.

Patient Advocate Foundation reserves the right to request additional information to verify compliance with program eligibility guidelines. Failure to provide the requested information may result in the closure of the application for assistance. Additionally, if at any time it becomes evident that information has been provided under false pretense the eligibility process for assistance will be terminated.

Patients' contact information may be used in the future to share printed and/or electronic communications from PAF. If the patient does not wish to receive print and/or electronic communications from PAF, he/she may contact the program at 1-855-824-7941 and request to have his/her contact information removed from the mailing list. PAF will not be liable for any damages of any kind, without limitation related to the accuracy or inaccuracy of any patient information provided to PAF by you, your health care provider(s)/pharmacy(ies), and insurance company(ies), or for any harm such information may cause.

Patients' data may also be used in de-identified aggregated reports. This means that information and data patients provide to PAF may be combined with other patients' data to prepare reports analyzing patient needs and the Amputee Fund. PAF will only use de-identified patient data, i.e., patient data where all identifying data terms like the patient's name, identifying numbers, etc. have been removed. PAF will always protect all patient information and adhere to the Patient Privacy Policy. A copy of the Patient Privacy Policy can be accessed on the Patient Advocate Foundation website: <https://www.patientadvocate.org/privacy-policy/>

By accepting a grant from the Begin Again Foundation Amputee Fund patients are attesting that they agree to use the grant funds only for expenses related to prosthetics and assistive devices. PAF and the Begin Again Foundation reserve the right to request documentation from patients demonstrating that the grant funds have been used only fund approved expenses (e.g., receipts).
