

BREAST CANCER RESOURCE DIRECTORY

Hitting Financial Barriers From Breast Cancer or Metastatic Breast Cancer?

Patient Advocate Foundation wants you to know there are many resources devoted to improving access to quality care and decreasing the financial burden of medical expenses for both uninsured and underinsured patients with breast and metastatic breast cancer.

Our Breast Cancer Resource Directory intelligently narrows the overwhelming number of resources available and is customizable based on your unique needs!

You can generate your personalized resource list by simply selecting an age range, location, and up to 4 types of assistance.

With more than **38** financial and lifestyle assistance areas, results provide local, state, and national resources that you can print, email, or even convert to a PDF. This directory can be searched an unlimited amount of times, is free to use **and** is available 24/7. With it's simplicity, it is perfect for all patient and provider users across the country.

Breast Cancer **Metastatic Breast Cancer**
