

COVID Care Recovery Fund Program Disclaimer

Patient Advocate Foundation's ("PAF's") COVID Care Recovery Fund provides financial assistance to patients who are currently diagnosed with COVID-19 or have been diagnosed in the past six (6) months. The COVID Care Recovery Fund provides a onetime grant award to assist patients with food/nutrition expenses, utility bills, rent or mortgage payments, car payments and other transportation expenses and temporary lodging for the patient and caregiver.

PAF will not consider the identity of any physician, provider, supplier of items or services, donor, drug therapy, services or supplies being utilized, or the referral source when assessing whether an applicant is qualified for financial assistance through the COVID Care Recovery Fund. Under no circumstances will PAF recommend or refer a patient to any donor, provider, supplier, or product.

Qualifying patients are provided a one-time grant at the time they are approved for assistance from the COVID Care Recovery Fund. Financial assistance through the COVID Care Recovery Fund is provided on a first come, first served basis to the extent the COVID Care Recovery Fund has capacity to provide assistance. Enrollment in the COVID Care Recovery Fund, and receipt of the one-time grant, is a gift to the enrollee, based on the availability of funding, and conditioned on use of the financial assistance for expenses related to transportation. PAF has no contractual obligation to provide such assistance to qualified enrollees.

Assistance from the COVID Care Recovery Fund is not dependent on the use of a particular drug, particular supplies, or particular provider or suppliers and patients are free to switch drug therapies, treating physicians, pharmacies, and suppliers at any time without affecting their continued eligibility for assistance.

Patient Advocate Foundation reserves the right to request additional information to verify compliance with program eligibility guidelines. Failure to provide requested information may result in the closure of the application for assistance. Additionally, if at any time it becomes evident that information has been provided under false pretense the eligibility process for assistance will be terminated.

Patient's contact information may be used in the future to share printed and/or electronic communications from PAF. If the patient does not wish to receive print and/or electronic communications from PAF, he/she may contact the program at 1-855-824-7941 and request to have his/her contact information removed from the mailing list. PAF will not be liable for any damages of any kind, without limitation related to the accuracy or inaccuracy of any patient information provided to PAF by you, your health care provider(s)/pharmacy(ies), and insurance company(ies), or for any harm such information may cause.

Patients' data may also be used in de-identified aggregated reports. This means that information and data patients provide to PAF may be combined with other patients' data to prepare reports analyzing patient needs and the COVID Care Recovery Fund. PAF will only use de-identified patient data, i.e., patient data where all identifying data terms like the patient's name, identifying numbers, etc. have been removed.

By accepting a grant from the COVID Care Recovery Fund patients are attesting that they agree to use the grant funds only for expenses related to food/nutrition expenses, utility bills, rent or mortgage payments, car payments and other transportation expenses and temporary lodging expenses. PAF reserves the right to request documentation from patients demonstrating that the grant funds have been used only for expenses related to food/nutrition, utility bills, rent or mortgage payments, car payments and other transportation expenses and lodging. (e.g., receipts).
