

MATTERS OF THE HEART

Working together for health...because it matters

SELF-GUIDED RESOURCE TOOL

Whether you are focused on reducing your risk for heart disease or have been dealing with the insurance and financial aspects of a cardiac condition for a while, PAF offers self-directed educational resources to provide advice that will make a difference in your life today.

FEATURES

EXPERT ADVICE

A growing collection of articles, videos, webinars, and more from cardiology experts and health insurance professionals who understand cardiovascular disease.

RESOURCE DIRECTORY

Use the Healthy Heart Patient Empowerment Resource Directory to quickly search for resources that can provide direct and actionable assistance for your specific needs.

INTERACTIVE CHAT SERVICE

Appeals and denials wizard built to provide advice for common medical denial issues and connect you to useful educational materials related to health insurance.
