

NATIONAL FINANCIAL RESOURCE DIRECTORY

Hitting Financial Barriers Due to Your Diagnosis?

Patient Advocate Foundation wants you to know there are many resources devoted to improving access to quality care and decreasing the financial burden of medical expenses for both uninsured and underinsured patients.

Our National Financial Resource Directory intelligently narrows the overwhelming number of resources available and is customizable based on your unique needs!

You can generate your personalized resource list by simply selecting an age range, location, diagnosis, and the type of assistance you are seeking.

With more than **37** financial and lifestyle assistance areas and numerous disease categories, results provide local, state, and national resources that you can print, email, or even convert to a PDF. This directory can be searched an unlimited amount of times, is free to use **and** is available 24/7. With it's simplicity, it is perfect for all patient and provider users across the country.
