Patient Advocate Foundation
Scholarship for Survivors
Diagnosis Verification Form
To be completed by treating physician

The information requested below is necessary to complete the patient's application to PAF's Scholarship for Survivors - Undergraduate Scholarship Application

To apply to PAF's Scholarship for Survivors Undergraduate Scholarship, student must have been diagnosed with and/or been actively treated for cancer or a chronic illness within the past **five (5)** years

Diagnosis is considered active and eligible to apply, if the patient is currently and actively being treated or has been treated for cancer/chronic illness in the past 5 years.

- Scenarios demonstrating active cancer treatment/ chronic illness status include:
- Current chemotherapy, radiation, or anti-neoplasm drug therapy
- Current drug therapy being administered as treatment for chronic illness o Current pathology revealing cancer/ chronic illness
- A newly diagnosed patient awaiting treatment
- Affirmation of current disease management
- The cancerous organ has been removed or partially removed and the patient is still receiving ongoing treatment such as chemotherapy or radiation.
- The patient is currently on adjuvant therapy for prophylactic purposes.

Diagnosis is considered historical and not eligible to apply if:

- The cancer/chronic illness was successfully treated, and the patient has not been in active treatment in the past five years.
- The cancer/chronic illness was excised or eradicated (in the past 5 years) and there's no evidence of recurrence and further treatment isn't needed.
- The patient had cancer/chronic illness over 5 years ago and is coming back for surveillance of recurrence
- (Annual check-ups)
